

# **CONVEYANCING**

## **SALE OF PROPERTY**

We can help you sell your property.

### **What is involved?**

All the work required to complete the sale of your home, including dealing with redemption of any existing Mortgage on the property, and the repayment of your estate agent fees as applicable.

### **Timescale**

The average process takes between 6-8 weeks to reach completion. It can be quicker or slower, depending on the parties in the chain. For example, if you are selling a leasehold property, or a freehold property which has a management company attached, it could take 10-12 weeks to complete, on the basis of a third party needing to be contacted to reply to enquiries and supply a management pack. However, if you are selling a leasehold property that requires an extension of the lease, this can also take significantly longer, between 2-3 months, and your fee would increase to reflect the sale and extension taking place simultaneously. In such, a situational additional charge may apply.

### **How much does this service cost?**

The price will depend upon the level of experience of the relevant fee earner, the price the property is being sold for, the capacity of the fee earner and the complexity of the transaction but our fees typically start from:

Legal fees	£450*
VAT on legal fees	£90
Total	£540

\*Please note that there are variations to these matters. Further fees can be charged where you are instead selling a Leasehold property, a Shared Ownership property, or redeeming multiple mortgages, for example where you have a Mortgage and also Help to Buy Mortgage on the property.

Disbursements are costs related to your matter that are payable to third parties, such as Land Registry fees. We handle the payment of the disbursements on your behalf to ensure a smoother process. On a residential freehold sale, the standard disbursements would be as indicated below. Please keep in mind that, as with the legal fees, the disbursements will vary depending on the type of matter.

Disbursements	
Land charges search	£2 per person

Electronic ID check	£2.40 per person
Bank transfer fee	£35 + Vat per transfer

**This is an indication of the fees which you are likely to pay, however, if you provide us with full details of the transaction, we can then provide you with a full quote; please call us today 0845 873 13 13**

## **PURCHASE OF PROPERTY**

We can help you purchase a property.

### **What is involved?**

All of the work required to complete the purchase of your new home, including dealing with registration at the Land Registry and dealing with the payment of Stamp Duty Land Tax (Stamp Duty) if the property is in England, or Land Transaction Tax (Land Tax) if the property you wish to buy is in Wales.

### **Timescale**

The average process takes between 6-8 weeks to reach completion. It can be quicker or slower, depending on the parties in the chain. For example, if you are a first time buyer, purchasing a new build property with a mortgage in principle, it could take 10-12 weeks to complete, on the basis of the property being built. However, if you are buying a leasehold property that requires an extension of the lease, this can also take significantly longer, between 2-3 months. In such, a situational additional charge may apply.

### **How much does this service cost?**

The price will depend upon the level of experience of the relevant fee earner, the price the property is being purchased for, the capacity of the fee earner and the complexity of the transaction but our fees typically start from:

Legal fees	£550*
SDLT return	£75
VAT on legal fees	£125
Total	£750

\*Please note that there are variations to these matters. Further fees can be charged where you are instead purchasing a Leasehold property, a Right to Buy Property, New Build Property, or with the aid of a Mortgage, Help to Buy Mortgage or Help to Buy ISA.

Disbursements are costs related to your matter that are payable to third parties, such as Land Registry fees. We handle the payment of the disbursements on your behalf to ensure a smoother process. This normally is part of the monies we ask for on deposit so that we can begin required searches. On a residential freehold purchase, the standard disbursements would be as indicated below. Please keep in mind that, as with the legal fees, the disbursements will vary depending on the type of matter.

Land Tax / Stamp Duty depend on the purchase price of your property. You can calculate the amount you will need to pay by using HMRC's website or if the property is located in Wales by using the Welsh Revenue Authority's website. This will also vary depending on whether you are a First Time Buyer, or purchasing a second property and not replacing your first, in which case different fees will apply.

## **RE-MORTGAGE**

We can help you re-mortgage your property.

### **What is involved?**

All of the work required to complete the re-mortgage of your property, including dealing with registration at the Land Registry and dealing with redemption of any existing Mortgage on the property.

### **Timescale**

The average process takes between 3-6 weeks to reach completion. It can be quicker or slower, depending on the parties in the chain. For example, if this would be a first mortgage, with no charge to redeem, the matter will progress as soon as the mortgage offer is received and the Lenders conditions complied with. If there is a Help to Buy mortgage to redeem, the matter will rely upon the response times of Help to Buy, who will require you to liaise directly with them to issue a redemption statement.

### **How much does this service cost?**

The price will depend upon the level of experience of the relevant fee earner, the value of the property, the capacity of the fee earner and the complexity of the transaction but our fees typically start from:

Legal fees	£450*
VAT on legal fees	£90
Total	£540

\*Please note that there are variations to these matters. Further fees can be charged where you are instead re-mortgaging a Leasehold property, or redeeming multiple mortgages, for example where you have a Mortgage and also Help to Buy Mortgage on the property.

Disbursements are costs related to your matter that are payable to third parties, such as Land Registry fees. We handle the payment of the disbursements on your behalf to ensure a smoother process. This normally is part of the monies we ask for on deposit so that we can begin required searches. Please keep in mind that, as with the legal fees, the disbursements will vary depending on the type of matter.

On the basis that you own the property, the lender will often allow for you to progress the matter without obtaining new Local Authority and Drainage Searches for the property. In this case, a No Search Insurance can be obtained to protect the Lender, which they will require to be obtained at your expense. There will be instances, however, where an up-to-date record of the property will be insisted upon by the Lender, and we can advise when these situation arises.

### **Timescale**

The average process takes between 3-6 weeks to reach completion. It can be quicker or slower, depending on the title itself and the responsiveness of all parties. For example, if the property you are transferring is Leasehold, the Landlords consent and transfer procedures, including their notice requirements, would need to be resolved. However, if you are due to place a mortgage on the property as well, a further report will need to be done to them about the pending transfer of title, be it adding a party on, or removing a party from the title.

### **How much does this service cost?**

The price will depend upon the level of experience of the relevant fee earner, the value of the property, the capacity of the fee earner and the complexity of the transaction. Similarly, we would need to take into account whether parties are being added to the title, removed from the title, or a combination of the two circumstances but our fees typically start from:

Legal fees	£300*
VAT on legal fees	£60
Total	£360

\*Please note that there are variations to these matters. Further fees can be charged where you are instead transferring a Leasehold property, a Shared Ownership property, or we need to liaise on multiple Mortgages, for example where you have a Mortgage and also Help to Buy Mortgage on the property.
